

## FACT SHEET

### Overview:

First American State Bank offers a full range of financial products typical of larger institutions, enhanced by personal attention and exceptional service that comes from a locally-owned bank committed to the Denver community. All banking decisions are made out of the bank's only location, in the Denver Tech Center, and profits are reinvested within the state. The bank's mission is to provide exemplary service to consumers, independent business owners, high net-worth individuals and professionals.

### Facts at a glance:

- More than \$248 million in assets
- Founded in July of 1995
- Led by Chairman & CEO Jay Davidson, President Nick Lepetsos and a strong Board of Directors, each with a diverse background and long history in the Denver area.
- Located in Greenwood Village, Colorado
- 27 full-time employees

### Industries Served:

- Real Estate/Construction
- CPA/Accountants
- Legal
- Medical

### Bank Services:

Custom accounts are tailored to address each customer's business or personal banking situation.

Services are focused in three key areas:

- *Business Services:* Each company is different and First American State Bank offers a wide range of banking and financial packages that can be tailored to address each business situation. Business needs are continually monitored to identify which services are the most advantageous to its customers.
- *High Net-Worth Services:* High net-worth clients have unique banking needs, created in part by the amount and the way their assets are earned and invested. First American State Bank offers customers a full array of products which can be combined to offer flexible and custom solutions to their diverse, complex financial needs.
- *Consumer Services:* A variety of personal checking, savings, loan and investment products and services are available to assist customers in achieving their financial goals. Help is provided in-person, online or via the telephone and is personalized to meet each customer's requirements whenever needed.

### Community Support:

- The Bank was the title sponsor of the [First American State Bank Fitness Festival](#) for 13 years, held annually in September for the benefit of the Cherry Creek Schools Community Asset Project. The festival has raised more than \$1,000,000 to help young people develop skills for a "healthier lifestyle" that avoids negative behavior such as alcohol, other drug use and violent behavior.
- First American State Bank officers, directors and employees are extensively involved in local
